Trade-marks Journal

Vol. 64 No. 3246

General Information

The *Trade-marks Journal* is published every week in compliance with Rule 15 of the *Trade-marks Regulations*. The Registrar of Trade-marks cannot guarantee the accuracy of this publication, nor assume any responsibility for errors or omissions or the consequence of these. All mail relating to trademarks should be addressed to the Registrar of Trade-marks, 50 Victoria Street, Gatineau, Quebec, Canada, K1A 0C9.

Electronic *Trade-marks Journal*

The *Trade-marks Journal* is available in electronic form on the CIPO web site (http://cipo.gc.ca). The *Journal* is available in PDF format and can be downloaded free of charge, viewed and printed with Adobe Acrobat Reader. The electronic form of the *Trade-marks Journal* is the official version.

The *Journal* is also available in a printable HTML format as an alternate official version, and contains a search function to narrow and customize the *Journal* content to user defined areas of interest.

Official Languages

The *Journal* is available in English and in French. The application details are displayed based on the language of the application. If the language of the application is English, the goods, services, or other text and description appearing in the English version of the Journal are in the language filed by the applicant. If the language of the application is French, the goods, services, or other text and description appearing in the English version of the Journal have been translated. Any registration resulting from the application will be restricted to these goods or services described therein.

Filing Dates

The filing date of each trademark application advertised in the *Trade-marks Journal*, including those to extend the statement of goods or services of an existing registration, is shown next to the application number in the sequence of Year, Month and Day.

Nice Classification

The *Journal* includes reference to the Nice classification when the goods or services of an application have been grouped and classed by the applicant in accordance with the current version and edition of the Nice Classification.

Opposition

Any person who has a valid ground of opposition (see section 38 of the *Trade-marks Act* for the grounds of opposition) to any application for registration of a trademark or to any application for registration of a trademark extending the statement of goods or services advertised in this *Trade-marks Journal* may file a statement of opposition with the Registrar of Trade-marks within two months from the date of issue of this publication. The prescribed fee must accompany the statement of opposition.

provision of awards in recognition of achievement in business, compliance, finance, industry, management, government and community services; publication of indexes; publication of metal grades, properties, suppliers and manufacturers; accreditation services, namely, developing, evaluating and testing standards in relation to industrial, agricultural, scientific and household chemicals, paints and preserving agents, oils and lubricants, explosives, horticultural materials and products, gas storage devices, metal building materials, metal building products, machines and machine tools, hand tools and hand operated implements, scientific apparatus, fire extinguishing materials, fire extinguishing materials, fire safety equipment, protective clothing, safety equipment, batteries, surgical, medical, dental and veterinary apparatus and instruments, baby bottles, baby pacifiers, sterilizing machines and apparatus, hydraulic and pneumatic apparatus, appliances for lighting, heating, air-conditioning, cooling, steam generating, cooking, refrigerating, drying, ventilating, water supply, air supply, gas supply and sanitary purposes, parts and fitting for and relating to appliances for lighting, heating, air-conditioning, cooling, steam generating, cooking, refrigerating, drying, ventilating, water supply, air supply, gas supply and sanitary purposes, vehicles and apparatus for locomotion by air, sea and land, parts and fitting for and relating to vehicles and apparatus for locomotion by air, sea and land, safety apparatus for use in vehicles, child safety devices, restraints and seats for use in vehicles, paper, cardboard, stationery, insulating materials, plastics, fire resistant and retardants materials, putty, sealants, plumbing fittings, non-metallic building materials, non-metallic building products, non-metallic pipes, metallic pipes, furniture, glass items, household utensils, kitchen utensils, household appliances, webbing and straps, textile and textile items, clothing, footwear and head gear, games and playthings, sporting equipment, protective sporting equipment, bicycles, business, management, finance, insurance, legal matters, regulatory matters, compliance, risk management, corporate governance, corporate social responsibility, real estate, industry, environment, environmental management, environmental sustainability, carbon and greenhouse gas emissions, forestry, forestry chain of custody, food, food safety, animal and livestock welfare, husbandry, and management, transport of animals and livestock, slaughtering of animals and livestock, occupational and work place health and safety, disability services, information technology, information technology security, information management, information security, healthcare services, medical devices, aerospace industry, defence industry, automotive industry, building, transportation and logistics, treatment of materials, waste management, waste recycling, recycling, water treatment and management, treatment and handling of hazardous materials, educational services, safety training, , laboratory services, food preparation, accommodation, medical and veterinary services, hygiene and beauty services, vermin extermination services, safety equipment and household appliances, for the purpose of accreditation; certification services, namely, developing, evaluating and testing standards in relation to industrial, agricultural, scientific and household chemicals, paints and preserving agents, oils and lubricants, explosives, horticultural materials and products, gas storage devices, metal building materials, metal building products, machines and machine tools, hand tools and hand operated implements, scientific apparatus, fire extinguishing materials, fire extinguishing materials, fire safety equipment, protective clothing, safety equipment, batteries, surgical, medical, dental and veterinary apparatus and instruments, baby bottles, baby pacifiers, sterilizing machines and apparatus, hydraulic and pneumatic apparatus, appliances for lighting, heating, air-conditioning, cooling, steam generating, cooking, refrigerating, drying, ventilating, water supply, air supply, gas supply and sanitary purposes, parts and fitting for and relating to appliances for lighting, heating, air-conditioning, cooling, steam generating, cooking, refrigerating, drying, ventilating, water supply, air supply, gas supply and sanitary purposes, vehicles and apparatus for locomotion by air, sea and land, parts and fitting for and relating to vehicles and apparatus for locomotion by air, sea and land, safety apparatus for use in vehicles, child safety devices, restraints and seats for use in vehicles, paper, cardboard, stationery, insulating materials, plastics, fire resistant and retardants materials, putty, sealants, plumbing fittings, non-metallic building materials, non-metallic building products, non-metallic pipes, metallic pipes, furniture, glass items, household utensils, kitchen utensils, household appliances, webbing and straps, textile and textile items, clothing, footwear and head gear, games and playthings, sporting equipment, protective sporting equipment, bicycles, business, management, finance, insurance, legal matters, regulatory matters, compliance, risk management, corporate governance, corporate social responsibility, real estate, industry, environment, environmental management, environmental sustainability, carbon and greenhouse gas emissions, forestry, forestry chain of custody, food, food safety, animal and livestock welfare, husbandry, and management, transport of animals and livestock, slaughtering of animals and livestock, occupational and work place health and safety, disability services, information technology, information technology security, information management, information security, healthcare services , medical devices, aerospace industry, defence industry, automotive industry, building, transportation and logistics, treatment of materials, waste management, waste recycling, recycling, water treatment and management, treatment and handling of hazardous materials, educational services, safety training, , laboratory services, food preparation, accommodation, medical and veterinary services, hygiene and beauty services, vermin extermination services, safety equipment and household appliances, for the purpose of accreditation; accreditation, certification, consultancy, information services and/or advisory services in relation to business management, risk, compliance and corporate governance management, quality management, engineering, occupational and workplace health and safety, environmental management, environmental sustainability, carbon and greenhouse gas emissions management, forestry chain of custody, forestry products, forestry management, information security management, information services management, healthcare services management, medical devices, food safety management, animal and livestock welfare, husbandry, management, transport and slaughtering, supply chain management, organic foods, disability services, disability services management, the aerospace industry, the defence industry, the automotive industry, property and assets and property and asset protection and maintenance; audit, accreditation, certification, consultancy, information services and/or advisory services relating to and against standards, technical standards, national, regional, international, industry, governmental, regulatory and legislative standards and standards relating to business management , risk, compliance and corporate governance management, quality management, environment, environmental management, environmental sustainability, forestry, forestry chain of custody, food safety, animal and livestock welfare, husbandry, management, transport and slaughtering, disability services, disability services management, occupational and work place health and safety, the aerospace industry, the defence industry, the automotive industry, information technology, information technology security, information management and security, healthcare services, healthcare services management and medical devices, property and assets and property and asset protection and maintenance; maintaining a register of certifications and accreditations, including compiling and maintaining a computer database of certifications and accreditations, in relation to industrial, agricultural, scientific and household chemicals, paints and preserving agents, oils and lubricants, explosives, horticultural materials and products, gas storage devices, metal building materials, metal building products, machines and machine tools, hand tools and hand operated implements, scientific apparatus, fire extinguishing materials, fire extinguishing materials, fire safety equipment, protective clothing, safety equipment, batteries, surgical, medical, dental and veterinary apparatus and instruments, baby bottles, baby pacifiers, sterilizing machines and apparatus, hydraulic and pneumatic apparatus, appliances for lighting, heating, air-conditioning, cooling, steam generating, cooking, refrigerating, drying, ventilating, water supply, air supply, gas supply and sanitary purposes, parts and fitting for and relating to appliances for lighting, heating, air-conditioning, cooling, steam generating, cooking, refrigerating, drying, ventilating, water supply, air supply, gas supply and sanitary purposes, vehicles and apparatus for locomotion by air, sea and land, parts and fitting for and relating to vehicles and apparatus for locomotion by air, sea and land, safety apparatus for use in vehicles, child safety devices, restraints and seats for use in vehicles, paper, cardboard, stationery, insulating materials, plastics, fire resistant and retardants materials, putty, sealants, plumbing fittings, non-metallic building materials, non-metallic building products, non-metallic pipes, metallic pipes, furniture, glass items, household utensils, kitchen utensils, household appliances, webbing and straps, textile and textile items, clothing, footwear and head gear, games and playthings, sporting equipment, protective sporting equipment, bicycles, business, management, finance, insurance, legal matters, regulatory matters, compliance, risk management, corporate governance, corporate social responsibility, real estate, industry, environment, environmental management, environmental sustainability, carbon and greenhouse gas emissions, forestry, forestry chain of custody, food, food safety, animal and livestock welfare, husbandry and management, transport of animals and livestock, slaughtering of animals and livestock, occupational and work place health and safety, disability services, information technology, information technology security, information management, information security, healthcare services , medical devices, aerospace industry, defence industry, automotive industry, building, transportation and logistics, treatment of materials, waste management, waste recycling, recycling, water treatment and management, treatment and handling of hazardous materials, educational services, safety training, laboratory services, food preparation, accommodation, medical and veterinary services, hygiene and beauty services, vermin extermination services, safety equipment and household appliances; compiling and maintaining a computer database of certifications and accreditations; establishing, development, setting and maintaining standards and technical standards in relation to industrial, agricultural, scientific and household chemicals, paints and preserving agents, oils and lubricants, explosives, horticultural materials and products, gas storage devices, metal building materials, metal building products, machines and machine tools, hand tools and hand operated implements, scientific apparatus, fire extinguishing materials, fire extinguishing materials, fire safety equipment, protective clothing, safety equipment, batteries, surgical, medical, dental and veterinary apparatus and instruments, baby bottles, baby pacifiers, sterilizing machines and apparatus, hydraulic and pneumatic apparatus, appliances for lighting, heating, air-conditioning , cooling, steam generating, cooking, refrigerating, drying, ventilating, water supply, air supply, gas supply and sanitary purposes, parts and fitting for and relating to appliances for lighting, heating, air-conditioning, cooling, steam generating, cooking, refrigerating, drying, ventilating, water supply, air supply, gas supply and sanitary purposes, vehicles and apparatus for locomotion by air, sea and land, parts and fitting for and relating to vehicles and apparatus for locomotion by air, sea and land, safety apparatus for use in vehicles, child safety devices, restraints and seats for use in vehicles, paper, cardboard, stationery, insulating materials, plastics, fire resistant and retardants materials, putty, sealants, plumbing fittings, non-metallic building materials, non-metallic building products, non-metallic pipes, metallic pipes, furniture, glass items, household utensils, kitchen utensils, household appliances, webbing and straps, textile and textile items, clothing, footwear and head gear, games and playthings, sporting equipment, protective sporting equipment, bicycles, business, management, finance, insurance, legal matters, regulatory matters, compliance, risk management, corporate governance, corporate social responsibility, real estate, industry, environment, environmental management, environmental sustainability, carbon and greenhouse gas emissions, forestry, forestry chain of custody, food, food safety, animal and livestock welfare, husbandry, and management, transport of animals and livestock, slaughtering of animals and livestock, occupational and work place health and safety, disability services, information technology, information technology security, information management, information security, healthcare services , medical devices, aerospace industry, defence industry, automotive industry, building, transportation and logistics, treatment of materials, waste management, waste recycling, recycling, water treatment and management, treatment and handling of hazardous materials, educational services, safety training, laboratory services, food preparation, accommodation, medical and veterinary services, hygiene and beauty services, vermin extermination services, safety equipment and household appliances; educational software as a service, including interactive educational software as a service, featuring instruction in business, management, finance, legal matters, regulatory matters, compliance, risk management, corporate governance, corporate social responsibility, engineering, real estate, industry, environment, environmental management, environmental sustainability, carbon and greenhouse gas emissions and verification, forestry, forestry chain of custody, food, food safety, animal and livestock welfare, husbandry and management, transport of animals and livestock, slaughtering of animals and livestock, occupational and work place health and safety, disability services, information technology, information technology security, information management, information security, healthcare services , medical devices, property and assets, parliamentary bills, international treaties, regional directives , legislation, regulations, policy documentation, governmental documents, codes of conduct, information and documentation on, of and relating to governmental, non-governmental, industry and professional bodies, interactive educational software as a service featuring instruction in business, management, finance, legal matters, regulatory matters, compliance, risk management, corporate governance, corporate social responsibility, engineering, real estate, industry, environment, environmental management, environmental sustainability, carbon and greenhouse gas emissions and verification, forestry, forestry chain of custody, food, food safety, animal and livestock welfare, husbandry and management, transport of animals and livestock, slaughtering of animals and livestock, occupational and work place health and safety, disability services, information technology, information technology security, information management, information security, healthcare services, medical devices, property and assets, parliamentary bills, international treaties, regional directives, legislation, regulations, policy documentation, governmental documents, codes of conduct, information and documentation on, of and relating to governmental, non-governmental, industry and professional bodies; software development services ; customisation of software and software as a service; benchmark computer helpdesk services; installation, maintenance and repair of computer systems and software as a service; information technology consultancy and advisory services; information technology security consultancy and advisory services; information management and security consultancy and advisory services; computer support services (computer hardware, software and peripherals advisory and information services); computer support services (programming and software installation, repair and maintenance services); computer consultancy; computer consultancy services; computer database consultancy services; computer software consultancy; computerised data storage services; benchmarking being testing, analysis and evaluation of goods and services to assure compliance with standards; scientific, technological services and research and design relating thereto, in relation to industrial, agricultural, scientific and household chemicals, paints and preserving agents, oils and lubricants, explosives, horticultural materials and products, gas storage devices, metal building materials, metal building products, machines and machine tools, hand tools and hand operated implements, scientific apparatus, fire extinguishing materials, fire extinguishing materials, fire safety equipment, protective clothing, safety equipment, batteries, surgical, medical, dental and veterinary apparatus and instruments, baby bottles, baby pacifiers, sterilizing machines and apparatus, hydraulic and pneumatic apparatus, appliances for lighting, heating, air-conditioning, cooling, steam generating, cooking, refrigerating, drying, ventilating, water supply, air supply, gas supply and sanitary purposes, parts and fitting for and relating to appliances for lighting, heating, air-conditioning, cooling, steam generating, cooking, refrigerating, drying, ventilating, water supply, air supply, gas supply and sanitary purposes, vehicles and apparatus for locomotion by air, sea and land, parts and fitting for and relating to vehicles and apparatus for locomotion by air, sea and land, safety apparatus for use in vehicles, child safety devices, restraints and seats for use in vehicles, paper, cardboard, stationery, insulating materials, plastics, fire resistant and retardants materials, putty, sealants, plumbing fittings, non-metallic building materials, non-metallic building products, non-metallic pipes, metallic pipes, furniture, glass items, household utensils, kitchen utensils, household appliances, webbing and straps, textile and textile items, clothing, footwear and head gear, games and playthings, sporting equipment, protective sporting equipment, bicycles, carbon and greenhouse gas emissions, environmental management, environmental sustainability, forestry, forestry chain of custody, food, food safety, animal and livestock welfare, husbandry, and management, transport of animals and livestock, slaughtering of animals and livestock, occupational and work place health and safety, disability services, information technology, information technology security, information management, information security, healthcare services , medical devices, water, waste, waste recycling, recycling, hazardous materials, food, food preparation, vermin extermination services, safety equipment and household appliances; industrial analysis and research services in the field of industrial, agricultural, scientific and household chemicals, paints and preserving agents, oils and lubricants, explosives, horticultural materials and products, gas storage devices, metal building materials, metal building products, machines and machine tools, hand tools and hand operated implements, scientific apparatus, fire extinguishing materials, fire extinguishing materials, fire safety equipment, protective clothing, safety equipment, batteries, surgical, medical, dental and veterinary apparatus and instruments, baby bottles, baby pacifiers, sterilizing machines and apparatus, hydraulic and pneumatic apparatus, appliances for lighting, heating, air-conditioning, cooling, steam generating, cooking, refrigerating, drying, ventilating, water supply, air supply, gas supply and sanitary purposes, parts and fitting for and relating to appliances for lighting, heating, air-conditioning, cooling, steam generating, cooking, refrigerating, drying, ventilating, water supply, air supply, gas supply and sanitary purposes, vehicles and apparatus for locomotion by air, sea and land, parts and fitting for and relating to vehicles and apparatus for locomotion by air, sea and land, safety apparatus for use in vehicles, child safety devices, restraints and seats for use in vehicles, paper, cardboard, stationery, insulating materials, plastics, fire resistant and retardants materials, putty, sealants, plumbing fittings, non-metallic building materials, non-metallic building products, non-metallic pipes, metallic pipes, furniture, glass items, household utensils, kitchen utensils, household appliances, webbing and straps, textile and textile items, clothing, footwear and head gear, games and playthings, sporting equipment, protective sporting equipment, bicycles, carbon and greenhouse gas emissions, environmental management, environmental sustainability, forestry, forestry chain of custody, food, food safety, animal and livestock welfare, husbandry, and management, transport of animals and livestock, slaughtering of animals and livestock, occupational and work place health and safety, disability services, information technology, information technology security, information management, information security, healthcare services, medical devices, water, waste, waste recycling, recycling, hazardous materials, food, food preparation, vermin extermination services, safety equipment and household appliances; design and development of computer software; laboratory testing services; electrical type testing namely testing electrical appliances for compliance with legislative, regulatory, industry or safety standards and requirements; fire safety services; fire safety testing services; child products testing; child safety product testing; gas safety testing services; gas safety certification services; hazardous substance safety testing and assessment; hazardous substance safety testing and assessment of products; waste water treatment products inspection, assessment and testing; advisory services relating to China compulsory certification (CCC) and CE product marking; technical consultancy, research and development and testing of gas appliances, gas components and electrical appliances; appliance performance evaluation; energy efficiency testing and rating; energy performance, safety and reliability testing; energy performance, safety and reliability testing including combustion testing, thermal testing and profiling, electrical efficiency, heating efficiency, thermal movement, mechanical testing, component testing, cycle testing and wind testing; inspection, assessment testing and safety assessments and testing of electrical products and appliances, gas appliances, pressurised products, gas cylinders, protective headgear, protective clothing, horticultural products, machinery, explosive atmosphere electrical devices, medical devices, plumbing products, fittings and sanitary ware and webbing based products; quality assurance management, namely, quality evaluation, analysis and quality control in relation of industrial, agricultural, scientific and household chemicals, paints and preserving agents, oils and lubricants, explosives, horticultural materials and products, gas storage devices, metal building materials, metal building products, machines and machine tools, hand tools and hand operated implements, scientific apparatus, fire extinguishing materials, fire extinguishing materials, fire safety equipment, protective clothing, safety equipment, batteries, surgical, medical, dental and veterinary apparatus and instruments, baby bottles, baby pacifiers, sterilizing machines and apparatus, hydraulic and pneumatic apparatus, appliances for lighting, heating, air-conditioning, cooling, steam generating, cooking, refrigerating, drying, ventilating, water supply, air supply, gas supply and sanitary purposes, parts and fitting for and relating to appliances for lighting, heating, air-conditioning, cooling, steam generating, cooking, refrigerating, drying, ventilating, water supply, air supply, gas supply and sanitary purposes, vehicles and apparatus for locomotion by air, sea and land, parts and fitting for and relating to vehicles and apparatus for locomotion by air, sea and land, safety apparatus for use in vehicles, child safety devices, restraints and seats for use in vehicles, paper, cardboard, stationery, insulating materials, plastics, fire resistant and retardants materials, putty, sealants, plumbing fittings, non-metallic building materials, non-metallic building products, non-metallic pipes, metallic pipes, furniture, glass items, household utensils, kitchen utensils, household appliances, webbing and straps, textile and textile items, clothing, footwear and head gear, games and playthings, sporting equipment, protective sporting equipment, bicycles, carbon and greenhouse gas emissions, environmental management, environmental sustainability, forestry, forestry chain of custody, food, food safety, animal and livestock welfare, husbandry, and management, transport of animals and livestock, slaughtering of animals and livestock, occupational and work place health and safety, disability services, information technology, information technology security, information management, information security, healthcare services, medical devices, water, waste, waste recycling, recycling, hazardous materials, food, food preparation, vermin extermination services, safety equipment and household appliances; licensing of trademarks; licensing of certification trademarks; intellectual property licensing services; licensing of computer programs; land and property title searches; legal and regulatory information services; information services and computerised or electronic information services providing commentary on parliamentary bills, law and legal matters, international treaties, regional directives, legislation, regulations, government policy, policy documentation, governmental documents, codes of conduct, information and documentation on and relating to governmental, non-governmental, industry and professional bodies and, governmental matters; providing parliamentary bills, international treaties, regional directives, legislation, regulations, policy documentation, governmental documents, codes of conduct and information and documentation on and relating to governmental, non-governmental, industry and professional bodies;
